East Bay Educational Collaborative, 317 Market St., Warren, RI 02885

Kevin Baird is a contributor and consultant to the National Common Core Standards Implementation. He is also a co-creator of the Comprehensive Curriculum Improvement Process, and a national leader in the analysis and implementation of standards-based curricula and instruction alignment. He also is author of the book: Purposeful Technology: A Higher Standard for the 21st Century Classroom. He is a dynamic speaker and national leading consultant who works with state departments of education, publishers, and districts in the implementation of the Common Core State Standards.
